Through a proactive approach to problem-solving, we ensure timely deliveries and build long-lasting relationships founded on trust, reliability, and exceptional service.

OUR TECHNOLOGY

Our production facility is equipped with **state-of-the-art stitching machinery** sourced from **Japan and China**, ensuring unparalleled precision and efficiency with a **monthly capacity of 80,000 to 100,000 PCs**. Operated by our highly skilled team, this advanced technology enables us to consistently deliver top-quality products, guaranteeing quality assurance in every garment we produce.

COMPANY HISTORY

The journey of SL Textile PVT LTD began with the vision and passion of two brothers, **Mr. Noorullah Noor Mohammad** and **Mr. Abdullah Noor Mohammad**. From a modest setup, their dedication to excellence transformed the company into a prominent exporter of knitted garments from Pakistan.

Over the years, we have built a strong international presence, earning the trust of esteemed brands and buying houses across Europe and the United States. Our history is a testament to our unwavering commitment to quality, innovation, and sustainability—the pillars upon which we have woven a story of success and continue to build our future.

A photograph of a clothing store interior. In the foreground, there are several metal clothing racks filled with various garments, including hoodies and t-shirts. Below the racks, a wooden bench holds a pair of sneakers and a stack of folded white clothes. The background shows more racks and a plain wall. The overall lighting is soft and even.
